**Rt. Hon Priti Patel MP**  
**Silver End Academy - 90th Anniversary**

Congratulations to all at Silver End Academy on the school's 90th anniversary this week.

Silver End is a unique village with a rich history. Originally built in 1929 as part of the development of Silver End by Francis Henry Crittall, Silver End Academy remains a central feature of the village to this date. While the school has transformed and expanded over the years, it has maintained its close ties with the wider community and continues to play a significant and positive role locally.

I know that Silver End Academy has participated in a number of local events to commemorate the 90th anniversary of Silver End since 2016. I am sure that all pupils, past and present, have enjoyed marking this special occasion and learning more about the remarkable history of the village.

Silver End Academy is a fantastic local school and I look forward to continuing to work with you in the future.

Many congratulations, once again, on reaching this momentous milestone.

*AK all good wishes*
